Paws Up is designed to promote the comfort and peace that, sometimes, only a furry, four-legged critter can provide. Our teams visit our patients in private homes, nursing homes, Stein Hospice Care Center and Ohio Veterans Home.

**What is required to become part of
our Paws Up Team**

The dog must pass the American Kennel Club Canine Good Citizen test, administered by an AKC approved evaluator. The dog owner must complete LifeCourse™, a 6 week, 18-hour volunteer training program for Stein Hospice volunteers.
