

Memory Garden Order Form

The loss of a loved one is difficult, regardless of circumstance. This garden memorial is a gift from the Stein Family to the communities that Stein Hospice serves. It provides a place for individuals to reflect on happy memories with their loved one.

For those individuals who would like to have a dedication made in the garden, there are several options available. Paver memorials will be engraved and placed in the garden. For additional options contact the development department, 419-625-5269, development@steinhospice.com
