

## Western Brown Football Team Helps Kids At Stein Hospice Camp GOOD Grief

The first Camp Good Grief was held in Mount Orab over the week of June 27th to July 1st. Camp Good Grief was established at Stein Hospice as a method to address childhood grief and give children the opportunity to begin the process of moving forward in their young lives. Camp Good Grief is an opportunity for the children to express the feelings they may be having in a healthy and nurturing setting, surrounded by staff, volunteers and other grieving children. Nine children attended the camp and spent the week learning how doing "ordinary" things can help them deal with extraordinary feelings.

"Football drills" help participant explore ways to build confidence.

Through sharing circles the children are provided the opportunity to gain an awareness surrounding coping skills, grief and loss and the expression of feelings.
