

## Stein Hospice Reviews from Facebook:

My father, Donald Hunter, passed away this month. After a very rough time in the ICU, he was transported to Sandusky. I couldn't be more thankful for the fine care he received on arrival. He was bathed, shaved, and made comfortable in a warm bed. For the first time in a week, he seemed relaxed and himself. He awakened for awhile, smiled at some stories we told, then went to sleep. All of the staff were so helpful, caring for my dad as if he were one of their own for his last few days.

My grandfather received care from Stein first at home and then as an inpatient. I can not imagine asking for any more than what these amazing folks did not only for him, but for our family. Their support was unwavering and they knowledgeably answered all of our questions. While I hope you never need this service... don't think twice about calling Stein if you do.

I would like to give a huge thank you to all the nurses at Stein Hospice. They treated my dying dad as if he were their family. I could never explain the gratitude I have for the ladies in Sandusky. He held out for ten days even though the doctors said he would only live for 48 hours. He never had any pain or discomfort the whole time he was in there. Thank you very much.

I just want to say a special thank you to Stein Hospice for the wonderful in home care you provided for my mother Sandra during her final days. It took a lot of stress off of our family so we could be there to visit with her and comfort her. You could tell my mother was happy to be at home and at peace. The nurses for the around the clock care were absolutely fantastic and became like family. A special thank you to nurse Kristy W. You had such compassion with our mother and did a wonderful job answering our questions and putting us at ease. Thank you for making such a difficult experience a little easier.

They were with us for the end days of both of my parents. There are no words to express my gratitude and admiration. My Mother spent ten days in the Stein facility. It was so comforting for Mother and for the whole family. So many got a chance to say goodbye. My Dad was in a nursing home when Hospice came. They spent so much time with him when we were not able to. They explained the changes as they came. We were prepared and again comforted. Stein Hospice is marvelous. I can't praise them and thank them enough.

# Race in the Bay

The fourth annual Race in the Bay for Stein Hospice was held on Saturday July 8, 2017. It was sponsored by Harbor Bay Yacht Club and Sandusky Harbor Marina

Stein Hospice is a community-based, not for profit agency that offers compassionate care and support to terminally ill patients and their families since 1981.

The Race In The Bay For Stein Hospice, for mono hull sailboats, took place on a beautiful day with good wind over a 12 nautical mile course in the Eastern basin of Sandusky Bay. A scenic race with views of the Bay Bridge, Johnson Island, Cedar Point and Downtown Sandusky, it had two divisions based on hull-speed of the entered boats.

Awards were presented to the top three boats in each division. A classic American Hamburger and Hot Dog cookout, with all the fixings and side dishes, was served to the large group of participants and their supporters after the awards ceremony. Fun was had by all and they are already looking forward to next year's race.

100% of the proceeds of the event go to Stein Hospice of Sandusky.
