Jan Bucholz

Message from Jan

Dear Family and Friends,

Stein Hospice has been my life. Retiring is bittersweet.

I have loved this organization ever since I can remember...before I even worked here. Like so many of us, I personally experienced the difference Stein made during the death of so many family members and friends. Professionally, I saw Stein in action through the nursing students who received clinical experience here when I was a professor at the (then) Medical College of Ohio. I liked what I saw. I respected the dedicated professionals who worked diligently and creatively to make sure the patients they served were comfortable and at peace... and that the families were supported. I respected the tenderness and courage it took these doctors, nurses, social workers, chaplains, State Tested Nursing Assistants and volunteers to help families acknowledge the emotional pain, heal the old wounds and celebrate the special moments that give texture to sacred relationships and joy to living. All of this made possible by a team of individuals who cared deeply for the people they served and the founding women of Stein: Rosalie Gdula Perry, Founder and first Executive Director, Ann Voight, Chief Financial Officer, Louise Murray, Director of the Bereavement Department and Fifi Pfahl, Director of Volunteers. I loved what they stood for, what they did and I can't remember a time when I didn't want to follow in their footsteps.

In December 1995, I joined Stein Hospice. It was the best decision of my life. For the first four years, I worked with the founding women of Stein and gained firsthand experience on how deeply committed Stein Hospice was to serving this community. I also had the privilege of getting to know the Stein Family: Sam, Jerry, Sharon, Marsha (Stein) and Donal Goff. These individuals became more than the people for whom we are named. They are mentors and visionaries whose DNA is imprinted on this organization. Upon our Founder's retirement, I was appointed Chief Executive Officer.

I leave Stein Hospice after 26 years with so much pride in my colleagues, Board of Directors and volunteers who give it their all each day to make sure the people in our community are served to the best of our ability. We have accomplished so much together amid some pretty trying times. I am honored to have had the opportunity to work with them and to serve you. Thank you for your support. I am grateful for each day I have had in your service.

With Love and Respect,

Bill Finn

Message from Chief Executive Officer

It is with deep appreciation and respect for Jan's leadership through the years and for the dedication of all of our Stein colleagues that we join together to keep the not-for-profit tradition of excellence alive and thriving.

Both Hospice of the Western Reserve and Stein Hospice have collaborated in the hospice and palliative care field for decades. The roots of both organizations run deep. This new partnership further strengthens the commitment to providing the highest standards of care in all of the communities we serve.

This new partnership ensures future generations will continue to have access to the best and most comprehensive end-of-life services available anywhere. In an increasingly competitive environment, the opportunity to come together has never been more critical. Together, we will build on our shared foundation of excellence to serve future generations with the compassionate care that has been a hallmark of both organizations for more than 40 years.
